CardinalPark is the dominant leisure scheme within Ipswich.

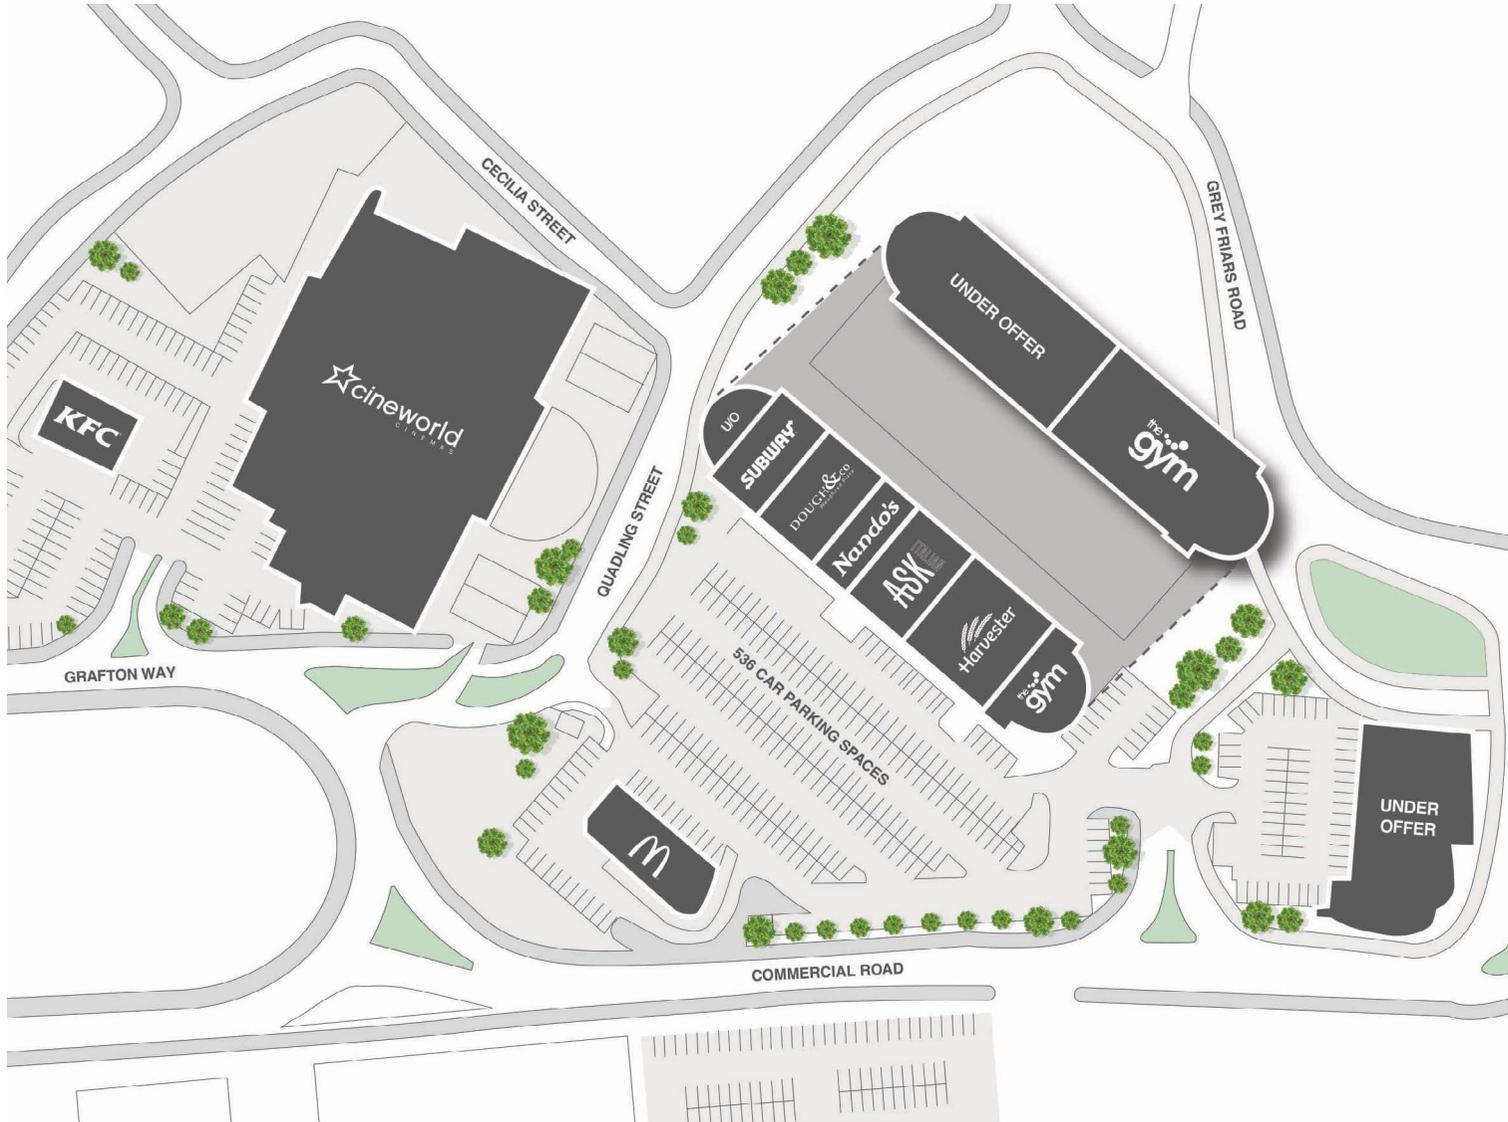

The scheme fronts both Grafton Way and Grey Friars Road which has recently been rerouted to form part of the inner ring road for the city centre. There is a significant level of passing traffic on a daily basis and the scheme is highly accessible to the city centre with both the bus and train stations being less than 5 minutes walk away.

Additional leisure facilities surround the site including Ipswich Town Football Stadium and Ipswich Haven Marina which is currently undergoing significant levels of regeneration.

CardinalPark comprises 112,000 sq ft of leisure accommodation with dedicated car parking for 536 cars.

Tenants include Cineworld, The Gym, Nandos, ASK, McDonalds, KFC, Harvester, Dough & Co and Subway.
